GENERAL CONDITIONS

1. PERIOD OF POLICY

Subject to the provisions of these **general conditions**, this **policy** shall continue for a period of one year from the **commencement date of the rate(s) guarantee period** stated in the schedule and cover shall be renewable by the issuance of a new **policy** annually.

In the event that the **rate(s) guarantee period** exceeds the **period of cover** under this **policy**, a new **policy** will be issued for the remainder of the **rate(s) guarantee period** at the same **premium rate** or using the same **base rate table** as appropriate.

2. VARIATION OF CONDITIONS

The **company** reserves the right from time to time to vary any **conditions** of this **policy** and/or the schedule and/or any endorsement giving to the **policyholder** three months' notice of its intention.

3. PROVISION OF NECESSARY INFORMATION

It is the **policyholder's** responsibility to provide to the **company** without delay all necessary data and information when requested by the **company**. It is the **policyholder's** duty to ensure that all data and information provided is correct and it is agreed that the **company** shall be entitled to rely upon the data, information or evidence so provided.

4. SCHEME ALTERATIONS

The **conditions** of this **policy** shall not be changed unless and until the **company** shall have agreed in writing to such change.

If the number of **members** or **sum assured** changes by more than 30% from the data used to calculate the **premium rate**, the **company** reserves the right to amend the **conditions** of this **policy** including the **premium rate** with effect from the date the change occurred.

5. FRAUDULENT OR MISLEADING INFORMATION

When unknown to the **policyholder**, any fraud, concealment, reckless or deliberate mis-statement by a **member**, or anyone acting on behalf of a **member**, which affects the assurance under this **policy** or in connection with the making of any claim shall render this **policy** null and void but only in so far as it relates to the **member** in question but any such fraud, concealment, reckless or deliberate mis-statement by or known to the **policyholder** shall render the whole **policy** null and void and all claims shall be forfeited.

For breaches of non-disclosure that are not deliberate or reckless, proportionate remedies will apply in accordance with the provisions of the Insurance Act 2015, based upon what we would have done had all the facts been known to us at the time of assessing the risk, as follows:

1. If we would not have entered into the contract on any conditions: We may avoid the **policy** and refuse all claims but must return the premium paid.
2. If we would have entered into the contract but on different conditions (not relating to the premium): The **policy** will be treated as if it had been entered into on those different conditions (even if the insured would have not accepted those conditions).
3. If we would have entered into the contract but at a higher premium: The **policy** will be re-costed on the basis that the full facts had been advised to us at the time of assessing the risk.

We are specifically contracting out of the remedy available to us of “reducing the value of a claim payment” in situations where we would have assumed risk for the **policy** but at a higher level of premium (point 3 above). In such instances we will provide the **policyholder** with the opportunity to pay the higher premium.

6. PROFIT PARTICIPATION AND SURRENDER VALUE

This **policy** does not participate in profits and has no surrender value.

7. ASSIGNMENT OR TAKE OVER

If the business of the **employer** is assigned to or acquired by any other person or body whether corporate or incorporate, then, subject to the consent of the **policyholder** and of the **company** that person or (its nominated assignee or successor) may maintain cover and take over premium payment for the purposes of the **scheme**. In this event, any such assignee or successor shall take the place of and be treated for all purposes of this **policy** as being the **employer**.

8. INFRINGEMENT OF POLICY CONDITIONS AND CONDITIONS

The **company** reserves the right upon giving written notice to the **policyholder** to terminate this **policy** in the event of breach or infringement of the **conditions** of this **policy** and payment of any benefit shall be conditional upon the **policyholder** complying with the **conditions** of this **policy**.

9. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

All third party rights granted by the Contract (Rights of Third Parties) Act 1999 are excluded from this **policy**.

10. REINSTATEMENT OF POLICY

If the **policy** has lapsed due to non-payment of premium on the due date then, in accordance with **premium condition 2**, it can be reinstated within 30 days if premium payments are resumed. If the non-payment of premium has exceeded 30 days, the **policy** having already lapsed, agreement will be required from the **company** to reinstate the **policy** and premium payments must be resumed in accordance with that agreement.

11. DISCONTINUANCE OF SCHEME

The **policyholder** shall have the right to terminate the **policy** by giving written notice to the **company**. The **policy** will terminate from the date the **company** receives the written notice; any cancellation will not be backdated and premiums will be charged for the time on risk.

The **company** reserves the right to cancel the **policy** if the **policyholder** fails to comply with any of the **conditions** of the **policy**.

The **policyholder's** participation in the Risk Assurance Management Master Trust is not portable and will cease immediately upon the termination of the **policy**.

MEMBERSHIP CONDITIONS

1. ELIGIBLE EMPLOYEES

Eligible employees can include permanent employees, part-time employees and temporary employees who are contracted to work by the **employer**.

Eligible employees can also include **members** who are temporarily working abroad and directors of the **employer**. A person shall cease to be an **eligible employee** forthwith on the termination of employment (however such termination arises) with the **employer**.

2. COMMENCEMENT OF COVER

The date upon which cover will commence for each **member** will be the **member's normal entry date** which shall be: -

- i) As from commencement of the **period of cover** if he is on that date an **eligible employee**;
or
- ii) As from the first date on which he is an **eligible employee**;
or
- iii) As from the date on which he is deemed to be an **eligible employee** in the event of the **employer** waiving the qualification of age or any other requirement.

The commencement of cover is subject to acceptance of the **member's** assurance by the **company** as described below.

3. ACCEPTANCE OF ASSURANCE

The **company** will accept the assurance of an **eligible employee** as a **member** of the **scheme** from their **normal entry date** subject to any **evidence of insurability** that the **company** may require.

Subsequent increases in the amount of a **member's** benefit will also be subject to acceptance by the **company**.

4. TEMPORARY ABSENCE

A **member** who is temporarily absent from work for whatever reason may be deemed to continue as a **member**, as specified in the schedule under **temporary absence**.

If any premiums are unpaid during the period of **temporary absence**, the benefit of the **member** may be recommenced without evidence of health following the **member's** completion of two consecutive calendar months without absence in their normal occupation after returning to work. For this purpose, normal occupation means the occupation followed by the **member** immediately prior to the commencement of their **temporary absence**.

5. REDUNDANCY COVER

Where redundancy cover is stated as included within the policy schedule, cover continues for **members** upon the continued payment of premiums, including for redundant **members**, however, cover will cease on the earliest of:

- i) The date on which the **member** commences alternative employment (including self-employment);
or
- ii) The **member** attains the **scheme cease age**;
or
- iii) The end of the agreed period of redundancy (as stated in the schedule);
or
- iv) This **policy** ceases.

We must be advised immediately of any **member** who remains covered within the **scheme** following redundancy and they must continue to be included in the data you provide to us.

6. TERMINATION OF A MEMBER'S ASSURANCE

The assurance of a **member** will terminate immediately in the event of: -

- i) Non-payment of premiums whether generally or in relation to that **member** including discontinuance of payment of premiums as referred to in **membership condition 4 (temporary absence)**;
or
- ii) The **member** ceasing to be an **eligible employee**;
or
- iii) The **member** reaching the maximum period of permitted absence from work as defined in **membership condition 4 (temporary absence)**;

BENEFIT CONDITIONS

1. AMOUNT OF BENEFIT

The **sum assured** appropriate to a **member** as stated in the schedule.

2. WHEN PAYABLE

On the death of a **member**, subject to receipt of all necessary proof required to enable the **company** to accept the claim.

3. TO WHOM PAYABLE

The **trustees** who will be responsible for payment to the beneficiaries under the rules of the **scheme**.

4. CATASTROPHIC EVENT

When a **catastrophic event limit** is stated in the policy schedule the following **benefit condition** will apply: -

The maximum aggregate liability of the **company** to the **policyholder** for a death or a series of deaths (irrespective of the date or place of death) attributable directly or indirectly to a **catastrophic event** shall be the event limit.

Where the **company** is covering several linked **policies**, these are deemed to be one **scheme** and the event limit will apply to the **scheme** and not individual **policies**.

Allocation of benefits to the **policyholder** resulting from the death or a series of deaths attributable directly or indirectly to a **catastrophic event** and thus subject to the event limit, shall be in the chronological order of the dates upon which written notification of each death claim is received by the **company**, provided always that the **company's** liability in respect of all such claims under the **policy** shall not exceed the event limit.

If more than one such written notification is received by the **company** on the same day and in a total amount that would cause the event limit to be exceeded, the **company** shall be entitled in its sole discretion to pay such claims on a reduced pro-rata basis according to the remaining balance of the event limit such that the **company's** total liability for such claims under the **policy** shall not exceed the event limit.

If the event limit is reached (as set out in paragraph 1 above), the **trustees** will be responsible for the allocation of benefits as stated above.

5. ALTERATION IN LIFE ASSURANCE BENEFIT

Any alteration in benefits agreed by the **company** as referred to in **general condition 4** shall, for the purpose of this **policy**, take effect on the day on which the alteration takes effect for the purpose of the **scheme**.

PREMIUM CONDITIONS

1. AMOUNT OF PREMIUM

The amount of premium will be the aggregate of premiums in respect of all **members** ascertained in accordance with the **premium rate** shown in the schedule.

2. WHEN PAYABLE

At the commencement of the **period of cover** and the **policy anniversary date**. If the premiums are payable by instalments, the appropriate instalment in respect of each **member** shall be due on the first day of the instalment period.

Thirty days of grace shall be allowed for the payment of any requested premium and if any claim arises during that period no amount shall become due in respect of such claim until the premium is paid.

3. PREMIUM COSTING

Non Unit Rated Schemes

The following conditions apply to schemes where a **base rate table** is attached to the schedule.

At the commencement of the **period of cover** and the **policy anniversary date**, the premium will be calculated using the **base rate table**.

If the **normal entry date** or date of increase in **sum assured** for a **member** is not at the commencement of the **period of cover** but occurs during the **period of cover**, a pro-rata premium will be payable for the period between the **normal entry date** or date of increase in **sum assured** and the **policy anniversary date**. The pro-rated premium will be included within the revised **statement of benefits and costs** issued as at the **policy anniversary date**, at which time any additional payment will be due.

If a **member** ceases to be covered under the **policy** during the **period of cover** prior to the **policy anniversary date** the **company** shall make a pro-rata refund to the **policyholder** for the period between the **termination date** and the **policy anniversary date**. The pro-rata refund will be included in the revised **statement of benefits and costs** issued as at the **policy anniversary date** at which time the payment will be due.

No refund will be paid in the event of the death of a **member**.

Unit Rated Schemes

The following conditions apply to schemes where a unit rate figure is shown on the schedule. At the commencement of the **period of cover** and the **policy anniversary date**, the premium will be calculated using the unit rate shown on the schedule.

At the **policy anniversary date**, the **company** will calculate any premium adjustment that relates to the previous **period of cover**. This is calculated by multiplying the applicable unit rate by the **average sum assured** for that **period of cover**. Any balance of premium due to or from the **policyholder** will be included with the revised **statement of benefits and costs** issued at the **policy anniversary date**, at which time the balance will become payable.

CLAIM CONDITIONS

CLAIM NOTIFICATION

Upon the death of a **member**, notification of the claim by the **policyholder** should be advised to the **company** as soon as possible. Notification should be made in writing to the **company** at its address shown in the **policy** schedule.

DOCUMENTARY EVIDENCE REQUIRED

A claim form, fully completed and signed by the **policyholder**.

- (b) Original copy of the Death Certificate or of the Coroner's Certificate.
- (c) Proof of the **member's salary** (payslip or P60) to validate the claim, required when the **sum assured** is **salary** related and the **salary** is different from the inception/anniversary data.

- (e) A copy of the **member's** Will (if available)
- (f) A fully completed Personal Circumstances Questionnaire.

CLAIM SETTLEMENT

On acceptance by the **underwriters** of a claim, settlement will be made by electronic transfer for the amount agreed. Claim payments will be made payable to the beneficiary(ies) in accordance with the instruction received from the **trustees** of the **policy**.

The **trustees** will decide to whom the monies are payable and their acceptance will be a full discharge of the **company's** liability under this **policy**.

No benefit will be payable under the **policy** in respect of any claim if it is not submitted in time to enable the claim to be settled by the **company** within two years of the date the **trustees** first knew of the **member's** death, or, the day which the **trustees** could reasonably have been expected to have known of the **member's** death.
